

Becoming a Friend of the Swindon Recital Series

The Swindon Recital Series is committed to the promotion of world-class chamber music in the Swindon area through professional recitals and master classes, but can only remain at the forefront of music-making with your support. If you are inspired by listening to live, professional concerts or would like to support our educational programme, please consider becoming a Friend of the Swindon Recital Series. Your donations will go directly to a dedicated Friends' concert and in return you will receive free admission to educational events, free concert programmes, and the opportunity to have a say in the forward planning of the organization. Your name will also appear on our Friends page in every programme.

To become a Friend, simply complete and return this form along with your donation to:
